

An abstract graphic design featuring a large yellow triangle on the left side. Overlapping this triangle are two large, concentric circular shapes: a purple one on top and a teal one below it. A thick purple horizontal bar extends from the right side of the teal circle. Below this bar, a thick purple curved line sweeps upwards and to the right. The background is black, and the entire composition is scattered with numerous small, multi-colored rectangular dashes (purple, teal, yellow) that resemble confetti or sparks. The text 'MAGNETIC' is positioned in the upper right area, above the word 'ATTRACTION'.

Classy ATTRACTION

Congratulations to San Jose High School (Academy) students vintage 1986-1987. This has been an important year in maintaining Bulldog traditions that have been developed over the past 123 years.

I admire the ways in which you have opened your arms to welcome students from throughout this school district in this first year of desegregation. Your sense of respect for one another is a fine tribute to our community. I know that the hard work you have put forth this year has resulted in personal satisfaction and will be rewarded by the future successes. Good luck to all of you.

ROUND 'EM

He Haw!! Howdie partner. That was the famous line everyone was using that day. Yes, it's once again Sadie Hawkins Day. Gals dressed in rags to scout around for that unsuspecting man. Some just waited patiently for that Silly Hill Billy. Others of us took it slow and enjoyed the day. Some girls got a little crazy doing the Dosie Doo . . . round we go!! Meanwhile we got the girls who just gave up all hope and started to walk away. One wild Sadie was just ready for that man to come by so she could throw that rope around him. But then again all is fair in love and hate, or is that love and WAR???

Hmm! Who should be my next victim??

It's Mr. Freitas doing his Dosie Doo.

UP GALS!!!

Must you act like a silly
Hill Billy, Patty??

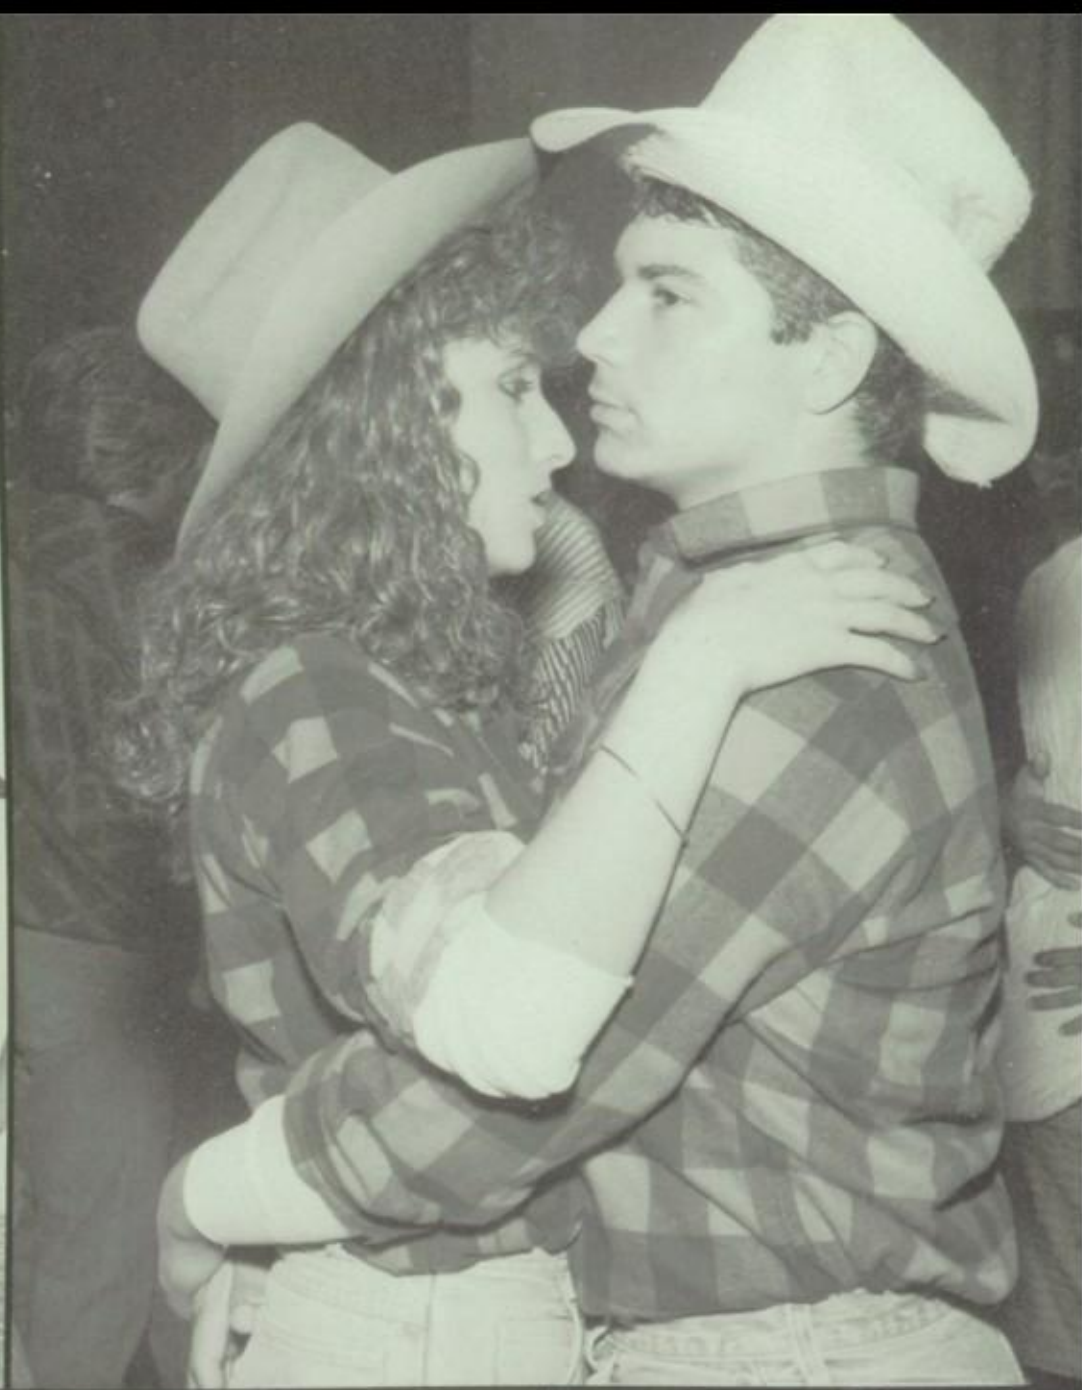

You shouldn't let
those boys get to
you Sarita.

I see a MAN!! He
Haw!!!!!!

SADIES '86

The traditional Sadie Hawkins Dance was held on October 24, 1986. The tradition is that the girl asks that special guy to this dance. It looked like on that starry night the girls got their guys!!

1. Baby Huey and Rambo.
2. Yooou Liiike!?!
3. Hey! Do I know you?
4. Nuts on parade.
5. We're Bad!
6. Out on good behavior.

THE TRADITION

This year's Big Bone Ball was sponsored by the A.S.B. of both Lincoln and San Jose. The Dance was held in the girls' gym, they had three sheets of cake, a punch bowl, Screen TV's. The one thing people will not forget is standing in line for an hour just to get in. Well as soon as everyone got in they all started having fun. Entertaining the city by the Bay to L.A. was D.J. JoJo Tran of Club West. Just one thing to remember "Keep your feet to the Beat." By the way did anyone get any Cake??????

We never met our Deadlines, maybe just one or two, so if you see us with grey hair, or no hair, you will know what the reason was.

Yes this is the yearbook staff, and this is how nerve wrecking our year was. We would like to thank Ms. Thunen and the photographers in her class and ours, for helping us out. We would also like to thank those of you who worked hard, and the support given, and to those of you who didn't work hard, try harder next time. So to the Seniors, we hope that you will treasure the memories shared throughout the book, and to the Freshmen keep alive the spirit that goes throughout this book.

FAMOUS LAST WORDS

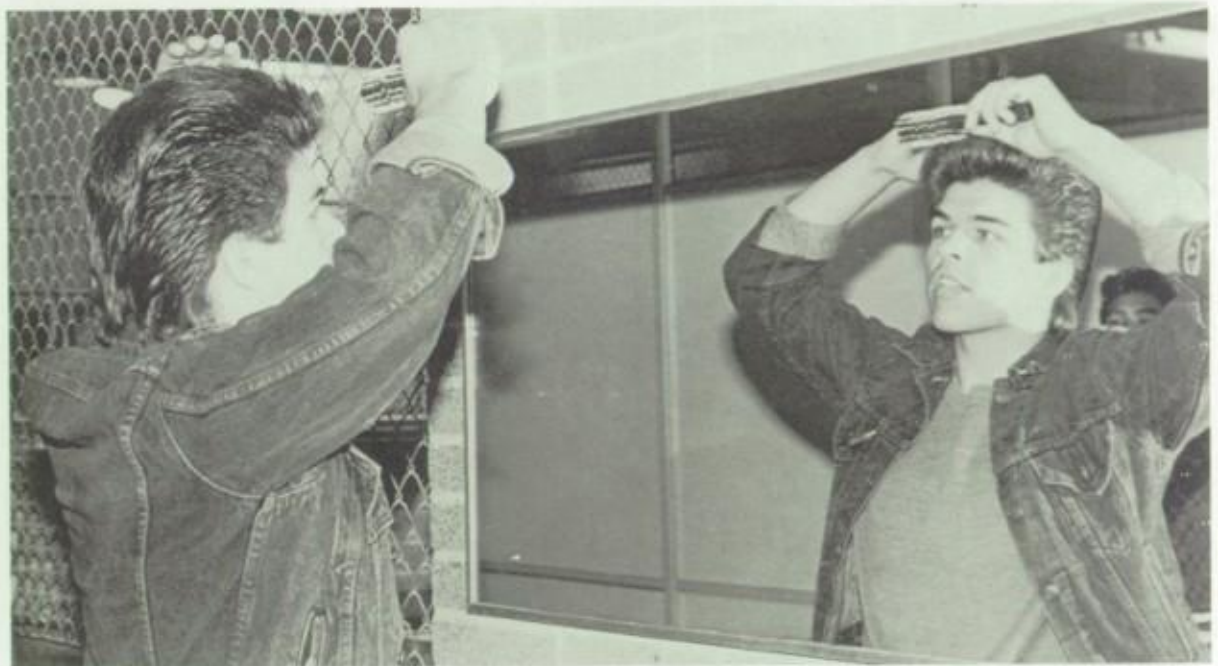

Hey look the juniors are cheating again!!

Keith doing the "beat box!!"

Check out that new chick, what a doll!!

"Where's the aqua net?"

I told you she was pregnant!

Let me out I'm quitting.

Hurry before the Narks see us!!

Just Watch & Learn

These people seem to be having a lot of fun working with these synthesizers. This is a view into a music class, it is offered as an elective. You learn a lot about the basic usage of a computer based instrument called a synthesizer. The keyboard plays a variety of instruments, such as piano, guitar, flute, and drums. Everyone seems to enjoy the class, which is ran by Hal Peterson.

Here in Pic. 1, -Esther looks like she's having the blast of her life!! In Pic. 2, This fellow has his mind on his work. So we won't disturb him. Pic. 3, has this young lady really going at it with her keyboard. Well it's time to leave this pleasant class for the smelly scent of the weight room. WOW!!

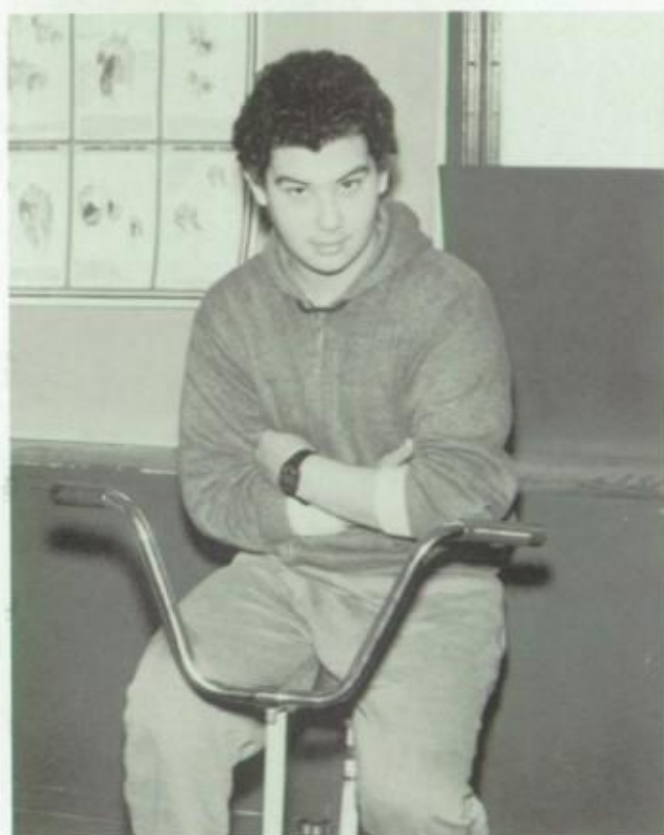

"let your fingers do the singing"

"Is this exciting or what?"

Bulldogs are always trying to do something to improve their image, or for these few people it seems as though improving their physique is more in style. The weight room is located in room 36. It has a variety of fitness equipment, such as the exercise bike, leg lift, and the wing press. But never fear there are lot's more where these came from. The weight room is used by athletes, P.E. students, and people who just wanna "WORK OUT" always remember "No Pain No Gain."

"come on you can do it"

New Years Ball 1987

HỘI TIẾT

This year, the "Year of the Cat" fell on January 29, 1987. CUNG HAY FAT CHOY in Chinese and CHUC MUNG NAM MOI in Vietnamese means best wishes and congratulations. Have a prosperous and good year.

This joyous "TET" may last for 10 days. It is time for family reunions, for honoring ancestors, and for thanking teachers for their teaching. On this New Year's Day the Vietnamese and Chinese add a year to their age no matter

when they were born. This is the grandest birthday party of all.

In order to help Asian students preserve their cultural heritage, a cultural program celebrating TET was held at San Jose Academy on February 4, 1987, during periods 3 and 4. The TET celebration featured the Dragon Dance, Vietnamese and Cambodian dancers, and Tae Kuan Do demonstration.

CATCHING THE SPIRIT

"Bulldogs are after you, Hey Hey . . ." Staying at the Santa Cruz spirit leading camp with only 1,000 other girls screaming their own name at the same time!!

Most of the squad this year went to the USA camp up at Santa Cruz the girls stayed up there three days and two nights. They met a lot of other girls from all over the state. Some of the routines they brought back from camp were: "Twist my Arm," "Beat Boy," "The Fight Song," and of course, the camp theme song, "Take the Lead." This years Rally Commit-

tee wasn't very large with only 16 girls in the committee they cheered all year long and had at least two rallies a month. They also did the Traditional T'ping of Football Players houses to wish them good luck, and a mess in the morning.

This years mascot John Ortega did Great at the USA camp considering that he went on a different date than the squad. He learned a lot and met a lot of girls, as stated by John. He also came back with a lot of superior ribbons. "Good Job John."

WE'VE GOT IT!

Enthusiasm, keeping the grades up, and sticking to it. These are three of the ingredients a person must have to be a spiritleader representing S.J.A. They may look like they're having a lot of fun out there, but does anybody ever notice that it takes a lot of work and practice?! Co-Head: Sonia Argandar.

CAREER CENTER

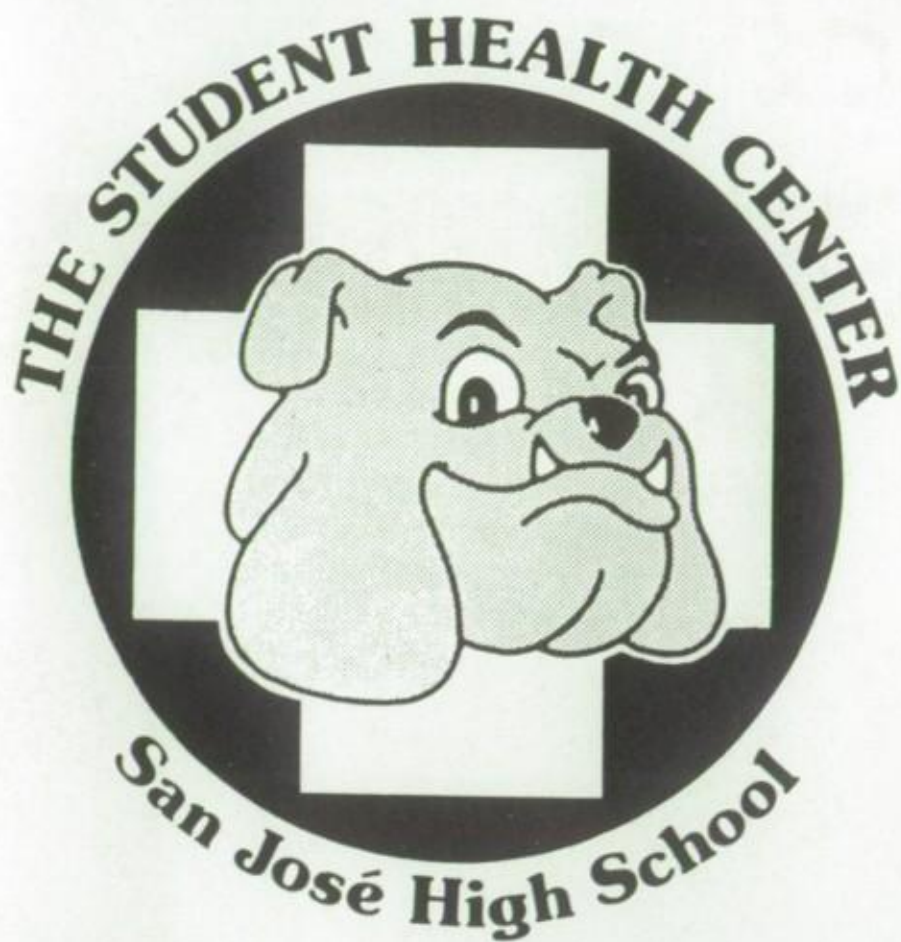

Robin Law, Career Center Sec.

The center is here for the students use for guidance with future planning and organization of their future. The center consists of many services such as Test prep. sessions, qualifications for college acceptances, and summer job placement. Recruiters come and visit the center often to encourage students to do the best they can and to answer any questions the students may have regarding the Armed Forces. Overall, the center is there to help students in their futures.

Rosa Sharboneau, S.J.C.C. Recruiter.

Dorothy Castillo, Clinic Clerk.

Gloria Sanchez, R.N.

The Health Center opened on September 8, 1986. It's the 2nd school fulltime clinic opened in California. The planning for this clinic began over a year ago from interest expressed by San Jose Hospital in a Health Center.

The center provides the following services free of charge to all students with the consent of the parents: Immunizations; care of minor illnesses and injuries; sports and other physical examinations; education concerning (but not dispensing) family planning methods; diagnostic tests such as throat cultures and urine, pregnancy, blood pressure, and blood sugar testing; counseling for drug and alcohol abuse, peer and parent and child communication and crisis intervention; and referrals to other agencies if the health center is unable to address a specific problem.

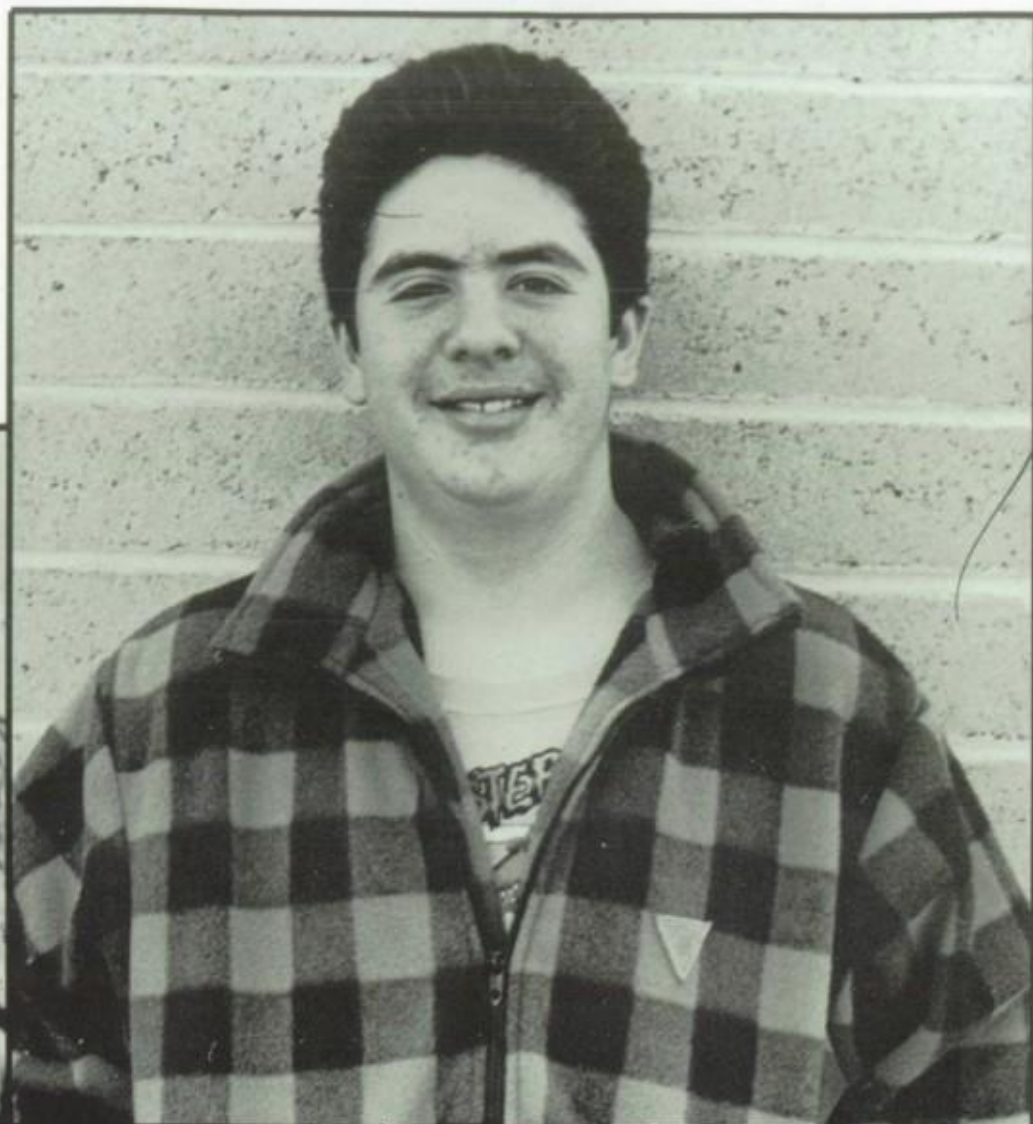

The David and Lucile Packard Foundation funded the initial planning stages and are now partially funding the implementation stages. The Stuart Foundation is also contributing to expenses. Additional grants are in preparation for funding for the future years.

SAN JOSE KEEPS

LINCOLN LOSES FOR THE 4th YEAR IN A ROW!!

At this year's Big Bone Game, we had more than 7,000 fans show up at San Jose City College on Thanksgiving, November 27, 1986, for the rivalry that dates back to 1943.

One of the highlights was when Paul Freitas' 50-yard field goal added an exclamation point to the San Jose High Rooting sections chant of "THE BONE STAYS HOME."

Paul Freitas', a senior made a field goal with 1 minute, 32 seconds remaining in the third quarter game San Jose with a 17-0 lead. This game was our fourth straight victory in the series, which dates back to 19 1943. Lincoln leads the series 24-14-15.

There haven't been many opportunities of highlights this season for our Bulldog Team. We finished the season with 3-6. Lincoln finished with 0-10, its second consecutive winless season!!!

Our first Touchdown in the first half was made by junior Tommy Chavez, with a 17 yard run with 3:47 remaining in the first quarter. After, Richard Maldonado recovered a fumble on the Lincoln 33 yard line.

Chavez made the next touchdown. He intercepted the ball, and went for the winning touchdown. The Bone Stayed Home!!!!

Basketball 1986-87

The 1986-87 Varsity Basketball Team will always have a special place in my heart. They made a complete reversal of the previous year (last place to first) and brought back to San Jose High a great deal of "Pride" and "Spirit". In the 11 years at SJ, they were the most exciting team, I coached. They were led by two 5'7 guards (Demetrius Parkinson and Gus Rodarte). Their skill and energy excited the whole school family and drew all of us together in a real spirit of unity. They were equally supported by Maurice Blalock (Team's Leading Rebounder), Mike Santos (Great Outside Shooter), Jason Pierce (Outstanding Defensive Shooter), and Albert Rodriguez (Great 6th Man).

This year's team averages 61 pts. per game while giving up 52 pts. per game. We outscored our opponents in every quarter and by a total of 215 points. As a team we averaged 44% from the floor and 6 from the free throw line. We out rebounded our opponents by 154 and had 82 fewer turnovers. We finished the season at 18-7 and 9-1 in league. Four of seven losses were by 3 pts. or less. All League Honors went to Demetrius Parkinson, Gus Rodarte, and Maurice Blalock. This team was truly exciting but also outstanding examples of good sportsmanship.

Assistant Coach, Adolfo Cruz, giving a pointer to Jason Pierce.

J.V. BOYS' BASKETBALL

BULLDOG, Steve McGlone, going for another 2 points!!!

"The 1986-87 frosh-soph Boys' Basketball Team had the kind of season which nightmares are made", said coach Ernie Morrell.

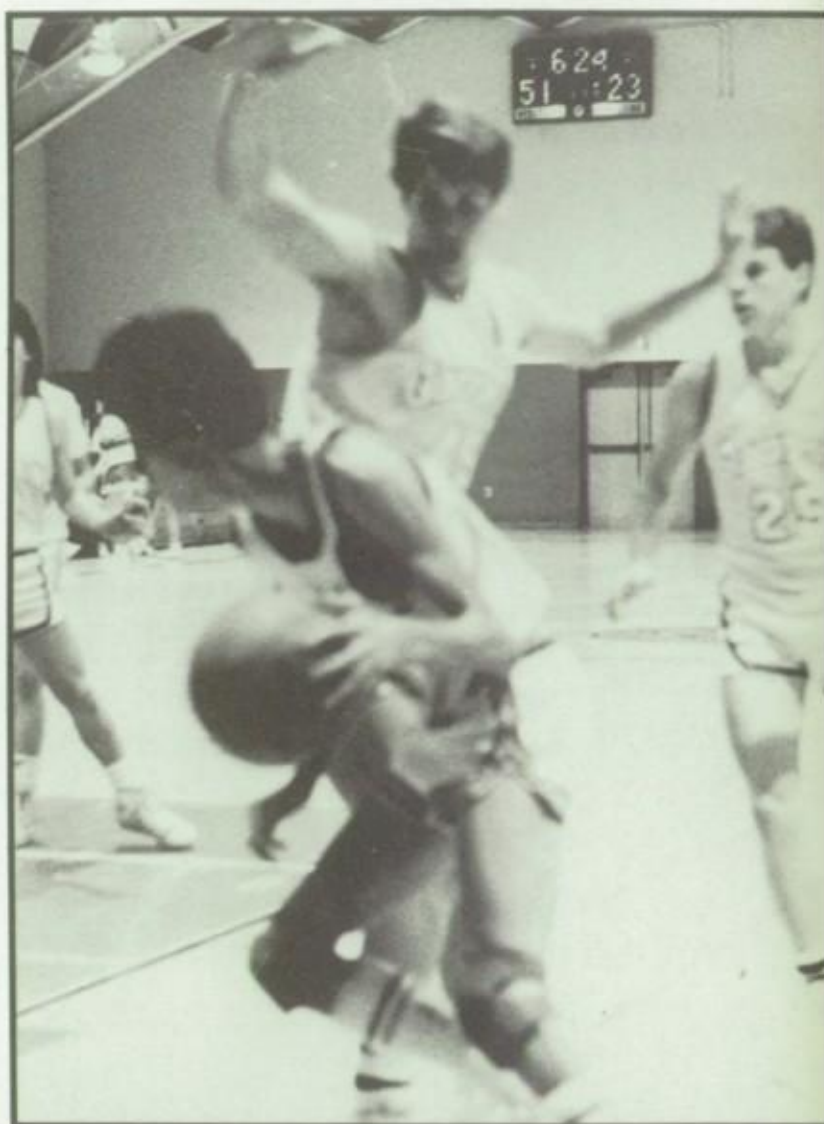

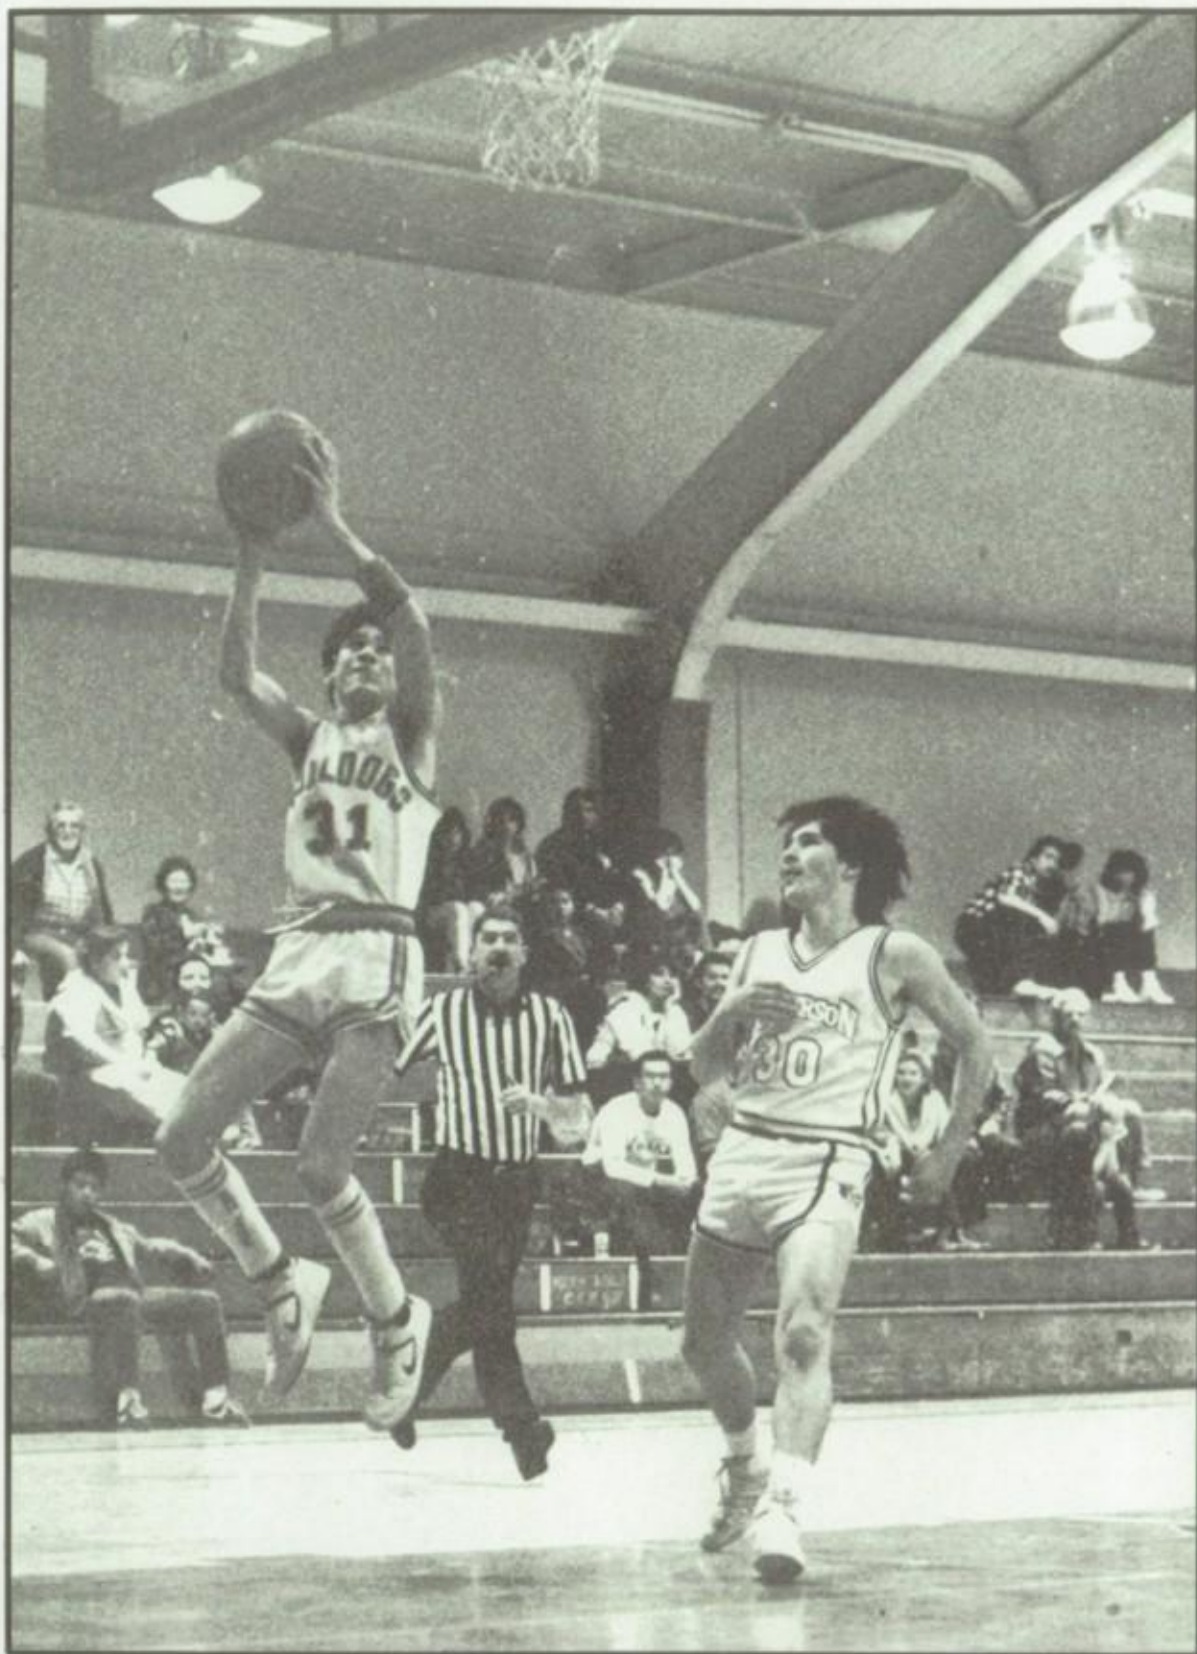

The team as a whole has played hard though unsuccessfully, having a 5-15 record with wins over Overfelt, Mt. Pleasant, Willow Glen, James Lick, and Pioneer.

In spite of problems which beset the team from the beginning including: eligibility, transfers, AIM, injuries, and illnesses, the team stuck together and never gave up. The team was led by Bob Santos, this year's team captain and scoring leader averaging 16 points per game. Steve McGlone along with Marcos Esparza were the leading rebounders averaging ten and eight rebounds respectively. The two starters were freshmen Fernando Alvarez and Juan Rivera.

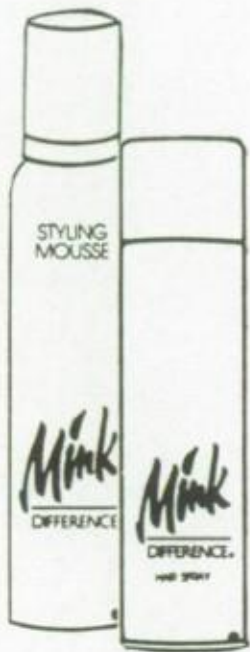

Having two freshmen on the Varsity team made a big difference. "Even having one of them on the Jr. Varsity team would have meant that we would have won our league games, no doubt," said Coach Morrell.

"The team, and especially the seven athletes who remained from the beginning, may not have had a very successful year, but they are certainly winners in my book. From a coaching stand point, this was not only an enjoyable team to work with, but one which I am immensely proud of," as quoted by Coach Morrell.

LOOKING YOUR BEST!!!

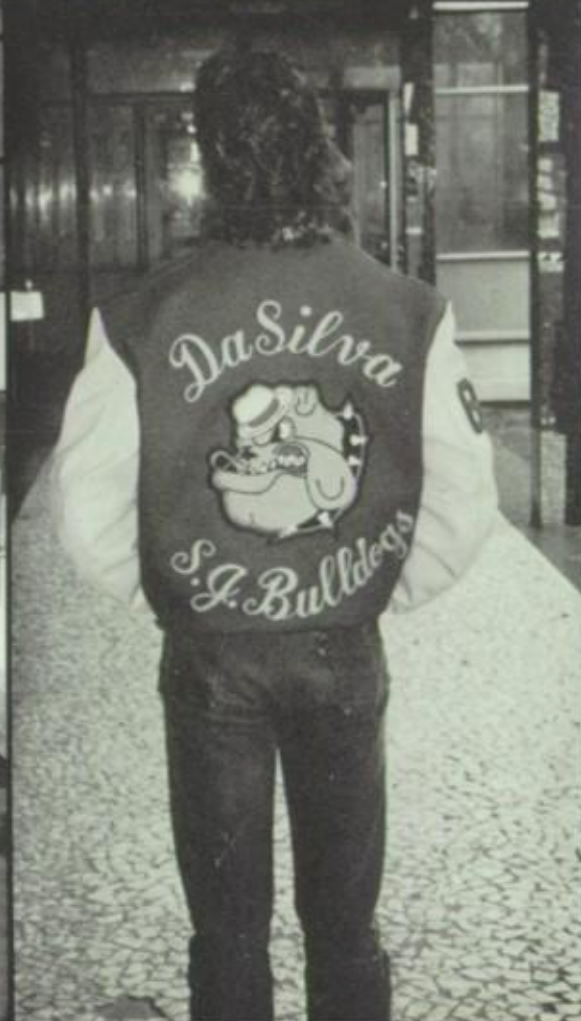

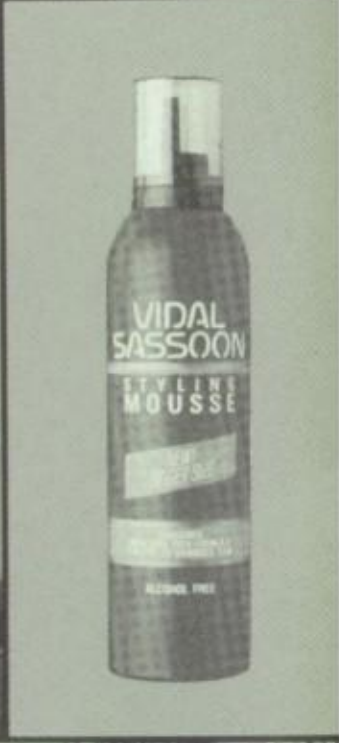

Did you ever wonder how long it takes students to do their hair? Well, some take up to two hours while others spend five minutes. You can always tell which ones spent the longest.

If you were to walk down the halls at S.J., you would be amazed by how many hair styles there are. The long hair styles happened to come back this year; the bushy hairs, the straight silky hair, and the permy look. The Bob styles was still in but not as popular.

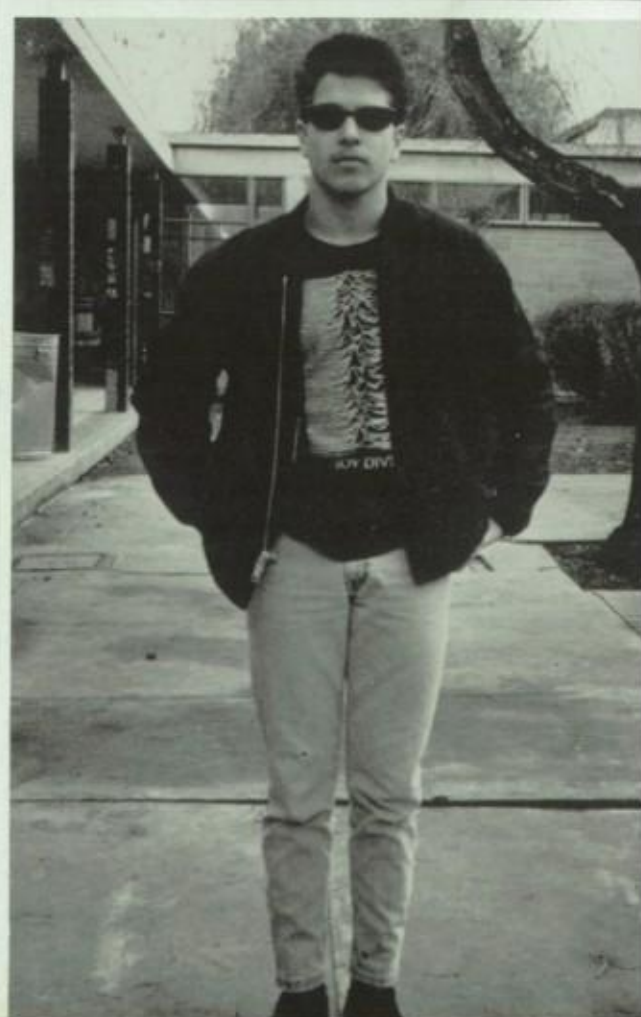

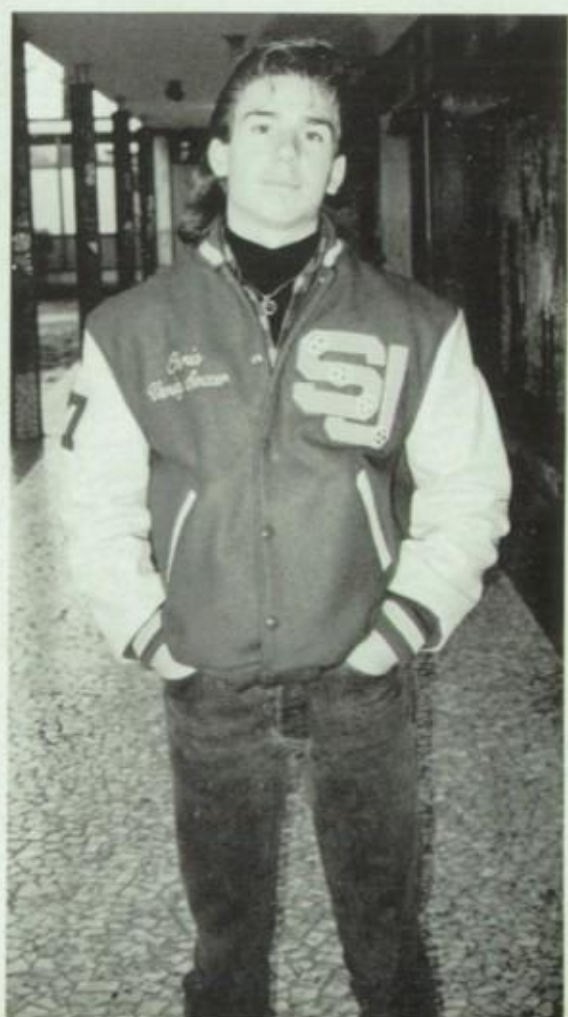

You would be surprised by how many guys now a days happen to spend time on their hair, and how many are going to salons to get perms. Some even go to color their hair too! No matter if you're a girl or boy, looking good and having a nice hairstyle happens to be an important factor in this generation.

IN ACTION

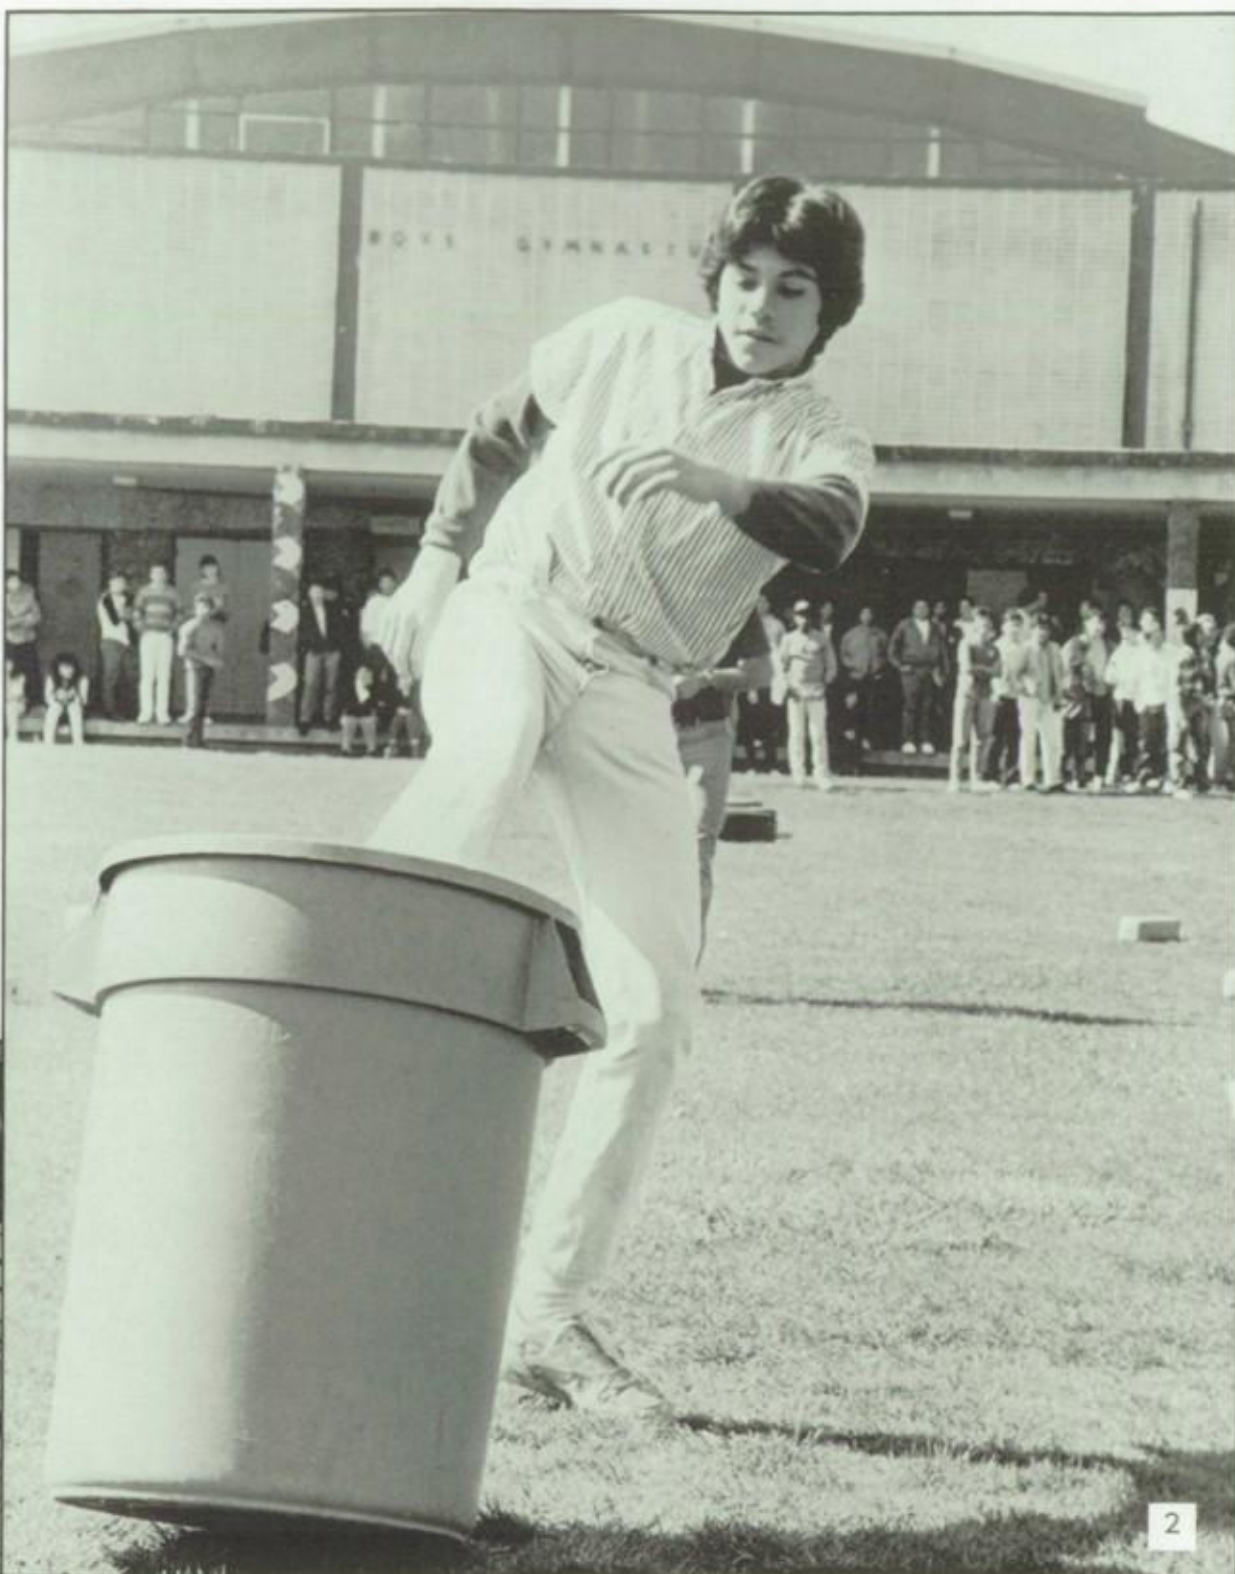

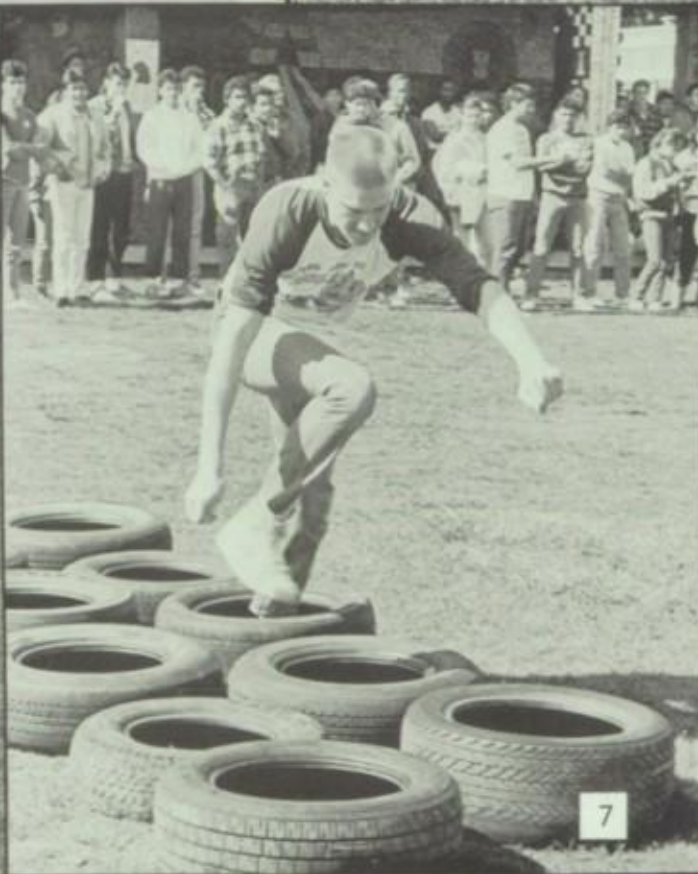

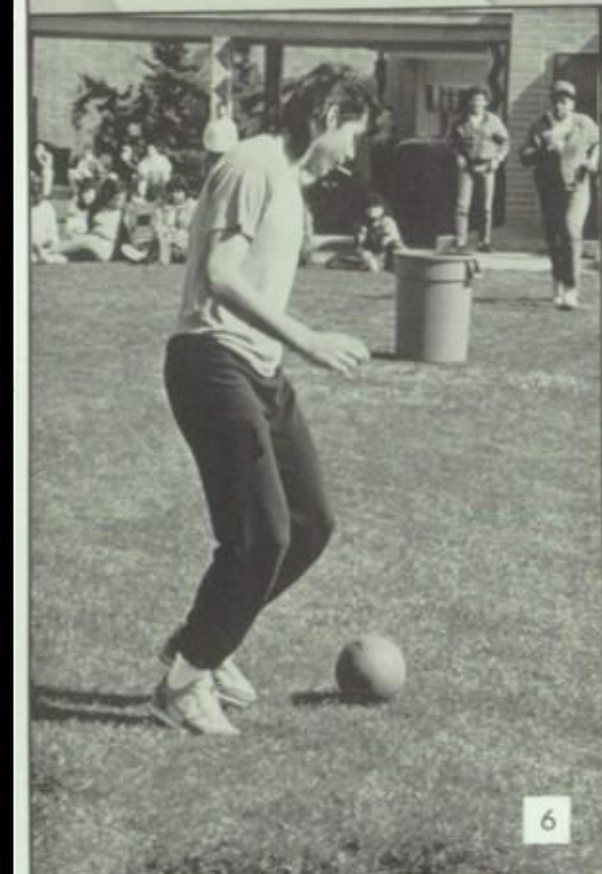

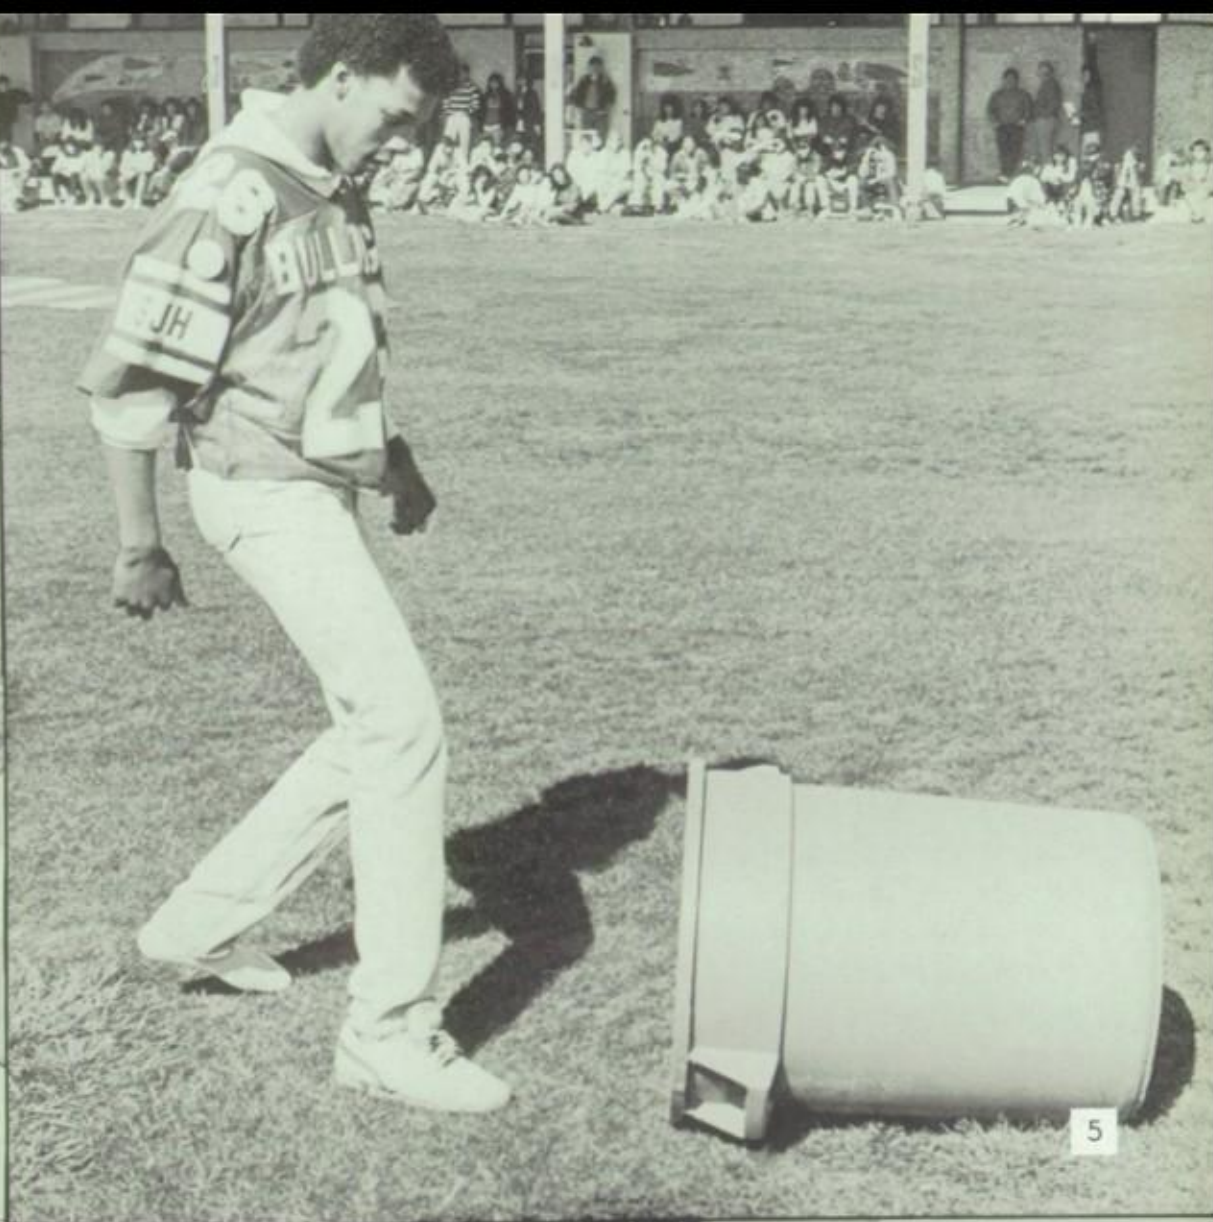

BATTLE OF THE CLASSES

It has been a tradition at San Jose High each year for the classes to compete with each other for the honorable position of being the most talented as you can see in such competitions as the obstacle course, relay races, and the all time favorite "The Tug of War". This year in the tug of war you could of seen such things as the Freshmen dragging the Sophomores, the Juniors dragging the Freshmen, and of course, the big Seniors dragging them all. "Good Luck" to those on next years teams. But remember it was all for fun!!!! "OH ya," almost forgot this years winners were the Juniors . . .

1. I can't believe they're doing that.
2. Mom, I'm Home!!!
3. Look! I'm flying, I'm flying!!

By the end of the wrestling season they placed 2nd. CONGRATULATIONS guys for a job well done. Keep up the good work next year, and LIVE IT UP!!
